AGREEMENT

This Agreement entered into on this **1st day of February 2021** between United Telephone Company of Kansas and Embarq Missouri, Inc., dba CenturyLink, its successors and assigns, herein after referred to as the "Company", and the COMMUNICATIONS WORKERS OF AMERICA, hereinafter referred to as the "Union".

ARTICLE 1 UNION RECOGNITION

Pursuant to certification and direction of the National Labor Relations Board the Company recognizes the Union as the sole collective bargaining agent for hours, wages, and other conditions of employment for all non-supervisory employees, except for: management, administrative, professional, general office, guards, janitors, watchmen, officials and confidential employees and supervisors as defined in the National Labor Relations Act, as amended.

ARTICLE 2 COMPANY-UNION RELATIONS

Section 2.1 – Management Rights

It is agreed that the Company has all the customary rights of management and that managing and directing the business and work force will include all areas not specifically limited by a provision of this Agreement. These rights of the Company will include, but are not limited to: direct and supervise the Company's operations, establish safety rules, hire, decide the number of employees necessary at any given time or place and to assign and distribute overtime.

Section 2.2 – Work and Safety Policies and Rules

The Company may from time to time establish, change and/or withdraw reasonable work and safety policies and rules as it deems necessary or appropriate including, but not limited to, policies and rules governing attendance, family and medical leave, unlawful harassment and discrimination, personal appearance and dress (including any uniform apparel), performance evaluations, conflicts of interest, visitors, outside employment, smoking, personnel files and records, confidentiality and confidential information, alcohol and drugs (including testing), use of vehicles on Company business, and reimbursement for business related expenses.

The Company will provide the Union with copies of such policies and rules (or any changes) at least ten (10) calendar days prior to implementation unless earlier implementation is mandated by federal, state, or local legislation or regulations. The Union may file a grievance at Step 2 of the Grievance Procedure if it believes any such policies, rules or changes are unreasonable or inconsistent with any specific provision of this Agreement, but any such grievance must be filed no later than forty-five (45) **calendar** days after its effective date.

Section 2.3 – Service Interruption

- (a) During the term of this Agreement, Union and its agents, representatives and officers, and all employees who are covered by this Agreement, as individuals and as a group, will not authorize, cause, assist, participate, acquiesce in, or encourage any strike, work stoppage, sick-out, slowdown, picketing, or any similar disruption or restriction of work on, in or at any of the Company's premises. This specifically includes "sympathy" strikes and the observance of picket lines, signs, or appeals from any labor organization engaged in any such activities, except in situations where an employee has a reasonable, objective belief of bodily harm in which event they will immediately notify management. However nothing in this Section shall prevent the union from engaging in picketing or other publicity for purposes of truthfully advising the public of any contract disputes unless an effect of the activity is to induce any employee or other person to cease rendering or providing services to the Company.
- (b) During the term of this Agreement, the Company will not cause or engage in any lockout of its employees.
- (c) In the event any of the above occurs, the union and its officers will do everything within their power to end or avert the same. Any employee engaging in any activity in violation of Section 2.3(a) may be subject to immediate disciplinary action, up to and including discharge, and the only issue reviewable through the grievance procedure will be whether the employee in fact violated its provisions.
- (d) Nothing in this Article shall be interpreted to preclude recourse to any other available judicial or administrative remedies.

Section 2.4 – Non-Discrimination

The Company and Union agree they will not discriminate against any employee because of race, color, religion, sex, national origin, veteran status or disabled status; and will abide by the Federal Age Discrimination Act of

1967, as amended and will take all action necessary to comply with the Americans with Disabilities Act.

Notwithstanding anything to the contrary, where any one (clause or Article) of this contract is applicable to a request for a leave of absence as defined by the Family and Medical Leave Act of 1993 and the contract provides for a greater level of benefits, as required under the FMLA, the provisions of the contract shall prevail. In no instances shall the contract diminish any rights guaranteed under the Act. The Company shall have final discretion with regards to those options where the employer is provided with discretion under the FMLA.

Section 2.5 – Union Security

- (a) Union Shop – (Applicable to Missouri only). It is agreed that all employees in the bargaining unit shall remain or become, by making application for membership in the Union within thirty-one (31) days following the beginning of such employment, members of the Union in good standing during the life of this Agreement. This subsection shall apply only where lawful under state law.

- (b) Admission to Membership – (Applicable to Kansas and Missouri). The Union agrees that it will admit to membership in the Union all present employees and all future employees hired or rehired by the Company who, under the terms of this Agreement, are represented by the Union and who maintain their membership in good standing by the payment of periodic dues and initiation fees.
 - 1. The Company agrees not to coerce, or interfere with any employee for the object of restraining membership in the Union, and agrees not to discriminate in any way against an employee by virtue of membership therein; and agrees in all other respects to observe the guarantees vouchsafed the Union and the members thereof by the National Labor Relations Act. The Union likewise agrees not to exert any coercion or intimidation on any employee because of non-membership in the Union, or for the purpose of including membership therein.

- (c) Check Off - For the duration of the Agreement the Company agrees to deduct from the first pay of each month of every employee covered by this Agreement who properly authorized the Company in writing to do so their regular periodic Union membership dues and promptly remit same to the Union. Such deductions will be made by the Company without cost to the Union. Such consent shall be in writing upon a form designated "Payroll Deduction Authorization", and such forms shall be

furnished by the Union. The Union agrees to indemnify and save the Company harmless against any and all claims, suits or other forms of liability arising out of the deduction of money for Union dues from an employee's pay.

The Company's obligations under Article 2, as well as under any payroll deduction authorization form signed by any employee, regardless of its contents, shall not survive the expiration or termination of this Agreement (or the expiration or termination of any written extensions). Upon expiration of the labor agreement with thirty (30) days written notice from the Company's bargaining agent to the CWA Representative of the Company's intent, the Company may discontinue the payroll dues deductions, without negotiation until the parties have successfully negotiated a successor Agreement which includes a dues check off obligation. Discontinuance of payroll deduction of union dues shall take effect the first payroll period following the thirty (30) days notice.

- (d) For the duration of the Agreement the Company agrees to furnish the Union an address listing of those employees who have identified themselves as Union members through the execution of a "Payroll Deduction Authorization" as specified in paragraph (c) above as of January 1 and July 1, of each year. It is further understood and agreed that the Union will reimburse the Company at a rate of \$45.00 per request for each request in excess of two (2) per calendar year per company.

Section 2.6 – Union Rights and Responsibility

- (a) The Union agrees that there shall be no solicitation for membership in the Union, signing up of members or collections of initiation fees, dues or assessments, on Company work time; provided, however, that this shall not be construed to prohibit casual or personal conversation about the Union and its activities, and provided further that this shall not be construed as permitting employees to quit work or delay their work for the purpose of such conversation.
- (b) The Company agrees that the activities described in Section 2.6(a) of this Article may be conducted on the Company property on free time of Union members who are employees of the Company as long as such activities do not interfere with the efficiency of the employees who are thus addressed.
- (c) The Company declares that it will pursue the firm policy of not aiding or supporting in any manner whatsoever any employee or group of

employees for the purpose of undermining the Union. The Union agrees not to coerce or intimidate employees into membership or to engage in any Union activity on Company time or property except as herein permitted.

- (d) The Company shall not give financial aid or otherwise support any labor organization. This, however, shall not prevent both parties to this Agreement from cooperating and exchanging such information essential for the furtherance of agreeable relations. On any matter which has been negotiated between the Company and the Union, the Company will notify the Union before it notifies its organization.
- (e) The Company recognizes the claim of the Union to jurisdiction over telephone work in territory served by the Company and covered by this Agreement. It is understood that the Company will not be asked to act upon any question regarding jurisdiction between labor organizations and that it shall be the duty of the Union to settle such controversies without work stoppages if possible.
- (f) At the sole discretion of management, bargaining unit employees may be required to work at other Company locations outside the bargaining unit. Management agrees to allow bargaining unit employees the option to return to their normal work location after (30) calendar days. Similarly, employees assigned to other Company work locations outside the 6372 jurisdiction may be required to perform bargaining unit work. The use of this provision will not be the cause of a reduction of current employees.

Should the Company determine a need to utilize employees from outside the 6372 jurisdiction to perform bargaining unit work on scheduled/mandatory overtime or call-out after hours, it will do so only after exhausting the bargaining unit seniority list of employees in the work group that have the necessary qualifications/certifications and would normally perform the work, without obtaining enough volunteers. The Company will not include employees from outside the 6372 jurisdiction on the work schedules furnished to CWA 6372 in accordance with Section 11.5 of the Agreement.

When bargaining unit employees are physically performing work within the jurisdiction of a different local union in which there exists a higher rate of pay for the same work, a wage differential of \$1.00 will be paid for each hour worked.

- (g) The parties agree that the assignment of bargaining unit work to non-unit employees and the assignment of non-bargaining unit work to bargaining unit employees as permitted under this agreement is not intended in any way to affect the separate community of interest shared by each group of employees, nor to result in an accretion of one group of employees into another.
- (h) The Company agrees that it will not contract out any work covered by this Agreement, if, as a result thereof, it would become necessary to lay off, or reduce **regular work hours to less than 30 per week, or to reduce any work hours as provided in Article 5.2 (b),** or to reduce the rate of pay of any employee, within the affected job title **and the work area (as defined in Appendix 5) and an additional 50 driving miles from the impacted work location within the state.**
- (i) The foregoing prohibition shall not apply to the consolidation or transfer of work to other CenturyLink work groups. In such cases the Company shall advise the Union of its intention to consolidate or transfer work prior to implementing such changes.
- (j) No management personnel may do any productive work normally performed by any employee included in the bargaining unit covered by this Agreement if such employee is idle and available, except in emergencies until proper employees can be secured or incidental to the training of employees.

Section 2.7 – Bulletin Boards

- (a) Bulletin boards for the exclusive use of the Union shall be provided by the Company in all locations where employees normally report for work. Such bulletin boards shall be placed in locations mutually agreed to by both parties.
- (b) The Union's use of these bulletin boards shall be intended for notices of Union meetings, Union appointments, nominations and election of Union officers, social, educational or recreational affairs of the Union; and such other notices as may be mutually agreed upon in advance between the Company and Union.
- (c) No material shall be posted on these Union bulletin boards unless it is approved by an officer of the Local Union. The Union agrees to keep all materials posted neat in appearance at all times.

Section 2.8 – Contract Printing

The Company and the Union will **each be responsible for printing their own contracts**. Both parties will endeavor to have the contract reviewed, proofed and printed within one hundred twenty (120) calendar days after notice of ratification.

ARTICLE 3 WELFARE

Section 3.1 – Voluntary Termination

If, during the term of this Agreement, the Company determines that there is a need to adjust the workforce, after written notice is first provided to the Union, the Company may at its sole discretion elect to offer voluntary termination, in seniority order, to employees. The Company may offer voluntary termination to all employees in the bargaining unit or only to employees in certain job titles and work areas. The Company will determine the period during which the employee may, if he/she so elects, leave the service of the Company pursuant to this Article. Neither such determinations by the Company nor any other part of this Section shall be subject to arbitration.

Employees accepting an offer of voluntary termination will **have the payment calculated** in accordance with Section 3.5 of this Agreement up to a maximum of 32 weeks or \$38,000 (whichever is less) and will receive all other entitlements due them.

The Company shall at its sole discretion have the right to offer an enhanced termination allowance payment over and above the provisions set forth herein if it deems appropriate. In the event the Company decides to offer an enhanced voluntary termination payment, the Company shall communicate its intentions and the details of the enhancement to the Union prior to extending any offer to employees.

The Company will make every effort to provide at least two days advance notice in writing to the Union of any offers and enhancements.

Section 3.2 – Work Places

The Company shall make every reasonable effort to furnish at all times a healthful, sufficiently ventilated, properly heated and well lighted space for the performance of all work and a safe and convenient place for the employee's clothes and personal belongings during work hours. Healthful sanitary conditions shall be provided.

Section 3.3 – Protection of Health and Welfare

No employee shall be required to work under any condition which is unsafe and injurious to health or welfare.

Section 3.4 – Health and Welfare

Effective February 1, 2012, and continuing for the term of this Agreement, the Company agrees to provide employees covered by this Agreement the same group medical insurance (to include prescription drug), group dental, group vision, employee life insurance, dependent life insurance, basic long-term disability insurance, supplemental long-term disability insurance, accidental death and dismemberment, health care flexible spending account and dependent day care flexible spending account, and at the same premiums, as the Company provides for its non-bargaining employees employed by the Company in the exchanges covered by this Agreement. The Company in its sole discretion may provide the coverage and benefits required by this Article through insurance and/or self-funded plans.

The Company will make available to employees, upon retirement, the same options for retiree health benefits as are offered to similarly-situated non-bargaining employees who retire from the Company. The retiree health benefits will be exclusively governed by the terms of the applicable plan(s).

The selection and administration of any plans to provide the coverage and benefits required by this Article shall be within the Company's exclusive control and sole discretion. The Company shall therefore have the unilateral right to make any changes which it deems necessary or desirable, including changes to establish, restore and/or maintain the most favorable qualification or treatment of the plan(s) under federal (or any applicable state) law. The selection of the insurers, carriers, agents and/or plan or claims administrators shall also be in the Company's exclusive control and sole discretion.

The Company reserves the right to unilaterally amend, change or terminate any one or more or any combination of these plans or flexible spending accounts or any of their features (including, but not limited to, deductibles, co-payments, maximum out-of-pocket expenses, etc.), or the premiums charged to employees (annually or as otherwise deemed necessary) for any plan(s). However, the Company may do so only so long as the amendments, changes and/or terminations apply equally to all eligible employees, both bargaining unit and non-bargaining unit employees. The Company further agrees to provide the union a minimum of 30 days notice before making changes to the plan.

During the term of this Agreement, the Company shall not have any obligation to engage in decision or effects negotiations of any type on any subject addressed (directly or indirectly) in or by this Article.

Section 3.5 – Termination Pay

- (a) Bargaining Unit employees terminated due to discontinuance of a (1) commercial business office or (2) plant operation and who cannot accept a transfer involving relocation and who are not eligible for the Voluntary Termination shall be entitled to receive a termination allowance as follows: One (1) week's pay for each completed year of net credited service from two (2) to seven (7) years, inclusive; plus two (2) week's basic pay for each completed year of net credited service from eight (8) to eleven (11) years, inclusive; plus three (3) week's basic pay for each completed year of net credited service for twelve (12) years and over.

However, in no case shall a termination allowance exceed 58 weeks pay or \$55,000 (whichever is less) computed at an employees basic weekly rate of pay.

Employees who are eligible for an immediate pension and who cannot accept a transfer shall be entitled to receive such pension or a termination allowance.

- (b) An employee who has once been paid a termination allowance in accordance with the above schedule, who has been rehired and again terminated, shall receive payments computed on the basis of the employee's total net credited service less the payment previously received.
- (c) If an employee who has received a termination allowance is rehired and the number of weeks since the date of the employee's termination is less than the number of weeks upon which the payment was based, the amount paid to the employee for the excess number of weeks shall be considered as an advance by the Company and shall be repaid to the Company by Payroll deductions at the rate of not less than ten (10%) percent of the employee's earnings.

Section 3.6 – Bridging of Service

Upon reemployment, following any separation from employment, an employee may qualify for “bridging of service”. Bridging of service shall only be available to former employees in accordance with the Bridging of Service Policy applicable to non-represented employees of the Company.

Bridging of service shall only be for purposes of vacation, short term disability, severance allowances and other service related benefits. Bridging of service for qualified retirement and 401(k) purposes will be governed by the respective Plan documents. Official CenturyLink records shall be used for the verification of all prior service.

Bridging of service will be administered in accordance with Company policy. The Company reserves the right to amend or modify the policy in accordance with Article 2, Section 2.2.

Section 3.7 – Adoption Assistance

Effective February 1, 2003, and continuing for the life of this Agreement, the Company agrees, subject to the limitations described below, to include employees, subject to this Agreement, of United Telephone Company Kansas and Embarq Missouri, Inc. represented by Local 6372 of the Communications Workers of America AFL-CIO in the Adoption Assistance Plan as it is applicable to non-represented employees of the Company.

The Company reserves the right to modify or terminate the Adoption Assistance Plan at any time so long as the changes are uniformly applied to all eligible employees.

Section 3.8 – Telephone Concession

Subject to Company policy, regular employees (full and part-time) with six (6) or more months of service are eligible for a discount on service or services offered by the Company on the same basis as non-represented employees.

It is recognized that the Company has the exclusive right to amend, modify wholly or in part this plan. The Company agrees, however, that any changes to the concession plan for bargaining unit employees will be equivalent to the service that is provided to non-bargaining employees at the same location.

Section 3.9 – Voluntary Benefits

Effective January 29, 2006, and continuing for the life of this Agreement, the Company agrees, subject to the limitation described below, to include employees in the Voluntary Benefits program as it is applicable to non-represented employees of the Company. The components of the Voluntary Benefits program available to employees may include, but not be limited to, Automobile Insurance, Homeowners Insurance, Long Term Care Insurance, Pet Insurance, Universal Life Insurance coverage, Legal Services and Critical Illness Insurance. It is understood that employees will be responsible for the entire cost for each component of the Voluntary Benefits Program. At its sole discretion, the Company may permit employees to have the required costs withheld through payroll deduction.

In addition, at its sole discretion, the Company shall designate the insurance carrier(s) and/or the agent(s) for the various components of the Voluntary Benefits Program. The Company may change the insurance carrier(s) and/or the agent(s) at any time provided sufficient notice is given. The Company will provide the insurance carrier(s) and/or the agent(s) with all applicable employee information needed to offer the program. The Company also reserves the right to modify or terminate any one of the various components of the Voluntary Benefits program at any time so long as the changes are uniformly applied to all eligible employees, both non-represented and bargaining unit employees.

This program is not a Company-sponsored plan or benefit. It is not a plan covered under ERISA. The Company has chosen to allow these vendors to make these programs available to employees but be advised that this is a voluntary program and only the employee can decide whether the benefits provided by this program are appropriate for you and your family. Employees are encouraged to research all suitable alternatives and consult with your personal advisors. Employees are encouraged to review the privacy and security policies and the practices of the various vendors and make sure they are comfortable with them prior to entering into any transactions. The Company is not able to provide employees with advice regarding the program. Participation is solely the employee's decision, completely voluntary and at their own expense. Lumen does not endorse and is not responsible for any of the products, services or practices promoted on the voluntary benefit website. Access to this website is provided at no cost to you, and Lumen does not benefit from your participation. There are no commissions or incentives paid to Lumen as a result of the products or services they may choose to purchase.

ARTICLE 4 EMPLOYMENT

Section 4.1 – Full Employment Before Hiring New Workers

The Company agrees that it will not employ new workers until such time as present full-time employees have been offered forty (40) or more hours of work per week or until all available and qualified employees on layoff have been given an opportunity to fill the vacancies in accordance with Article 5, Section 5.7.

Section 4.2 – Notice of Hiring

The Company shall, within 72 hours after a new employee eligible to membership in the Union is engaged or an eligible laid off employee is reemployed or reinstated, notify the Union thereof, and give to the Union information as to the name, department and home address of each such employee.

Section 4.3 – Probationary Employees

All new employees shall serve a probationary period of six (6) months before they can become permanent employees. During the probationary period of employment, the Company may, at its discretion, discharge or dispense with the services of such employee. If an employee satisfactorily completes the probationary period, his or her rights under this Agreement shall be governed by the date of employment. However, the Union shall retain the full right to represent such probationary employees for any claims of personal prejudice or claims of discrimination for Union activity in connection with the lay-off or discharge of such probationary employees. The probationary employee will receive a letter that states the reason for his/her termination.

Section 4.4 – Part-Time Employees

Part-time employees are employees who work less than thirty (30) hours in an established regular work week. Part-time employees shall accrue service credits for wage progression, vacation pay and holiday pay on a pro rata basis.

ARTICLE 5
LAYOFF, REHIRING, WORK SHARING

Section 5.1 – Layoff Notice

Whenever possible, the Company shall give to the Union and employees affected two weeks notice of all proposed layoffs.

Section 5.2 – Layoff and Rehiring Procedure

In the event there is lack of work in any job title in any work location for employees covered by this Agreement, the Company shall decide the necessity for and the extent of the force adjustment, and the following shall be the layoff and rehiring procedure, subject to provisions set forth in other Sections of this Agreement:

- (a) If the Company deems it appropriate and in the exercise of its sole discretion, employees in the affected job titles and work locations may elect, in the order of seniority, and to the extent necessary to relieve the surplus, to leave the service of the Company and receive Voluntary Termination benefits under the terms and conditions as described in Article 3, Section 3.1.
- (b) It may be jointly determined by the Company and the Union that those employees remaining shall remain at work until there is insufficient work to be provided them with a work week of **a minimum of** thirty-two (32) hours.
- (c) Transfers to Avoid Layoffs.
 - 1. The Company shall make every reasonable effort to avoid laying off employees by first offering transfers, in seniority order, to fill existing job vacancies provided the following conditions exist:
 - a. The job vacancy is not in a higher wage group.
 - b. The displaced employee has the skill and ability to perform the vacant job with a minimum of on the job training and familiarization. If formal classroom training is required, the displaced employee does not have the necessary skill and ability to perform the job.
 - 2. A job vacancy is defined as one that has been posted or about to be posted and an award has not been made. During a layoff period, Section 5.2 (c) of this Article supersedes and causes Section 7.1

through Section 7.5 of Article 7 to be inoperative. The terms and conditions of Article 7, however, shall remain operative if the job vacancy is in a higher wage group than that of the employee(s) to be laid off.

Section 5.3 – Layoff Procedure

- (a) When a reduction in force is necessary, temporary, probationary and part-time employees at the affected location in the affected job title(s) (in the above order) shall be first laid off.
- (b) **Contractors in the impacted work area will be released in accordance with Article 2.6 (h).**
- (c) Should further reduction of force be necessary, in seniority order, employees who have been identified as surplus may exercise one of the following options:

- 1. **Replace a contractor performing the same or similar work functions as defined in Appendix 2 as the impacted employee in another work area within the state, or exercise their bumping rights. The parties agree that the work functions of the Customer Service Tech and the Construction Tech are not considered similar work functions.**
- 2. **Exercise their bumping rights** by bumping an employee with less seniority as follows:

First option, the surplus employee, if qualified, may exercise his/her seniority to remain in the area as follows: (See Appendix 5 for exchanges included in three (3) Kansas areas for bumping purposes and in four (4) Missouri areas for bumping purposes).

- a. The surplus employee may bump the least senior employee in the same area in the same job title.
- b. If the surplus employee does not have sufficient seniority to bump in his/her job title, the surplus employee, if qualified, may bump the least senior employee, in the area, in the wage group.
- c. If the surplus employee does not have sufficient seniority or qualifications to bump in his/her wage group, the surplus employee, if qualified, may bump the least senior employee, in the area, in the next lower wage group.

Second option, the surplus employee, if qualified, may bump the least senior employee in the state in the following order: same job title, then same wage group, then next lower wage group.

Third option, the surplus employee, if qualified, may bump the least senior employee in the same job title within the Company.

3. An employee who is bumped shall be added to the surplus list in seniority order and such employee **may replace a contractor or exercise** bumping rights as specified in paragraphs (c) (1) **and** (2) above.
 4. It is understood and agreed that an employee exercising a bumping right under any of the options above, must have the proven skill and ability to perform the new job and be able to satisfactorily demonstrate those skills to the Company with a minimum of on the job refresher training and familiarization (three (3) weeks or less). If formal classroom training is required to perform the work, the employee may not bump.
 5. An employee whose job title is listed in Wage Group F may not bump an employee whose job title is listed in Wage Group G. It is also understood and agreed that an employee in the Customer Service Technician, Network Technician, or Business Service Technician job title may not bump an employee in the Construction Technician, Senior Lineworker, or Equipment Installer job title.
 6. Employees are laid off when it is determined no bump rights are available.

Section 5.4 – Layoffs of Union Representatives

Notwithstanding anything that may be contained herein, in the event of a layoff as described in this Article, the following officials of the Union, during their term of office, shall be the last persons to be laid off in the affected job title and the first to be rehired.

- (a) Local President
- (b) Local Vice-Presidents
- (c) Local Secretary-Treasurer
- (d) Union Representative of each exchange or major work group. In the Customer Service Group this shall mean the District Steward.

Section 5.5 – Rate of Pay

When an employee exercises a transfer or bump right that results in a lower rated job title, the employee shall be paid the wage rate of the lower job title. The employee will be placed at a rate of pay in the new job title based upon the employee's progression step at the time of layoff.

Section 5.6 – Waiver of Bid and Transfer Frequency

When an employee exercises a transfer or bump right because of a reduction in force, the one (1) year waiting rule as described in Article VII, Section 7.5 is waived.

Section 5.7 – Recall After Layoffs

- (a) Regular employees who are on a layoff status shall first be offered reemployment under the following conditions:
 - 1. Before new employees are hired provided the increase in available work is in the same job title, or in a lower wage group, which the laid off employee has the skill and ability to perform under the conditions described in Section 5.3(c) (5) above.
 - 2. Before the provisions of Article 7 are invoked provided the increase in available work is in the job title performed by the employee at the time of layoff, or in a lower wage group, which the laid off employee has the skill and ability to perform under the conditions described in Section 5.3 (c) (4) above.
- (b) Employees on a layoff status shall be recalled in the order of their seniority, i.e., the most senior employee shall be the first employee called back, subject to other provisions of this Agreement.
- (c) The Company shall notify laid off employees in writing, addressed to the last known address of the employee, to report back to work, and shall provide a copy of such notice to the Union so that the Union can verify the order of seniority.

- (d) If, within one week after the giving of such notice, the Union raises no question with respect to the **recalling** of any individual, such **recall** shall be deemed to be in order and no grievance or complaint may be raised with respect thereto.

Section 5.8 – Employee Response to Recall Notice

- (a) Within three (3) working days of the date of the notice to return to work, the employee shall report his or her desire to return to work.
- (b) Failure to give notice of intention within three (3) working days shall be regarded as quit without notice with consequent loss of all recall rights.
- (c) Any such employee, presenting satisfactory reasons within three (3) working days from the date of the notice to return, shall lose his or her priority only to that vacancy for which called, if the failure to report is due to substantiated illness, injuries, or some cause beyond his or her control.
- (d) If the Company is notified within the three (3) working day period he or she shall retain position on the seniority list for the next available opening.
- (e) When an employee with seniority presents satisfactory reasons as outlined in paragraph (c) above, this shall not prevent employees next in seniority from being called back.

Section 5.9 – Recall Rights

Employee **recall** rights from the date of layoff shall be 18 months.

Section 5.10 – Refusal of Recall

- (a) To lower rated job title. If an employee is recalled to work in a job title which is lower rated than that held by the employee when laid off, such employee may refuse the recall. Such refusal shall not affect his or her position on the seniority recall list.
- (b) To other than full time work. If an employee is recalled to work which involves fewer hours than was being performed at the time of layoff, such employee may refuse the offered work without affecting his or her positions on the recall list.

- (c) To temporary full time work. If an employee is recalled to perform work for a temporary period of time, such employee may refuse the offered work without affecting his or her position on the recall list.

It is further understood and agreed that when temporary requirements cannot be filled by recall of employees on layoff status in the same job title, the Company shall exercise its right to employ contractors in accordance with Article 2, Section 2.6(h).

Section 5.11 – Seniority during Lay-Off

When employees are laid off in accordance with this Article, they shall accrue seniority as set forth under Article 15, Section 15.3 (a).

Section 5.12 – Vacation Pay

When employees are laid off in accordance with this Article, they shall be granted the vacation pay as set forth under Article 14, Section 14.2.

ARTICLE 6 DISCHARGE, DISCIPLINE, RESIGNATION

Section 6.1 – Discharge or Discipline

Immediate causes of discharge or discipline are offenses which have occurred or been discovered not more than six months before the date of removal from work or discipline, and no offense shall be regarded as an immediate cause of discharge or discipline unless acted upon within that period. While discharge or discipline must be directly related to an offense or offenses which have occurred within the time period just stated, consideration of any given case shall not necessarily be limited to the specific offense. The record of previous good service, or of previous offenses, if any, shall also be considered.

The sole purpose of placing a time limit upon action following any given offense is to provide a period of time during which an employee may clear the record of an immediate cause for discharge or discipline. It is not the intent of this provision to provide a time limit which operates to cancel the effect either of good service or of repeated offenses which interfere with the proper conduct of the business. When an employee has been **issued formal disciplinary action (Written Warning, Final Written Warning or Discharge)**, the Local Union President shall be given written notice of such **action**.

Section 6.2 – Improper Discharge

In the event an employee shall be discharged from his or her employment from and after date hereof, and believes he or she has been unjustly dealt with, such discharge shall constitute a case coming under the method of adjusting grievances herein provided. In the event it should be decided under the rules of this Agreement that an injustice has been dealt the employee with regard to his or her discharge, the Company shall reinstate such employee. The decision of the Arbitrator hearing the case shall establish the conditions under which the discharged employee shall be reinstated. All cases with respect to grievances in connection with such discharge shall be taken up within **twenty-one (21) calendar** days from the date of such discharge.

Section 6.3 - Absenteeism

Absenteeism or tardiness is recognized by both the Company and the Union as being harmful to the business. The Union shall assist the Company toward reducing absenteeism or excessive tardiness whenever the Company brings such tardiness or absenteeism to the attention of the Union. Repeated tardiness or absences from work on the part of an employee may make such employee subject to discipline.

ARTICLE 7 PROMOTIONS, TRANSFERS, AND DEMOTIONS

Section 7.1 – Posting of Job Bids

Except as provided in Article 5, Section 5.2 and Section 5.7, this section shall apply in the posting of all vacant jobs covered by this Agreement which are described as a promotion or a transfer.

- (a) Job postings will be available on-line on the Company's internal website. Such notice shall include the title and job duties of the position available, the skills required for the position, the closing date for submission of bids, and the work location(s) of the position. Only those job vacancies which the Company has declared to be a job vacancy will be available for employee bids.
- (b) Applications must be submitted electronically within the specified time period using the on-line application tool provided by the Company. The application shall contain a clear, concise statement of the employee's background, training and overall qualifications and the reasons the bidding employee should be considered for the position.

- (c) The job will be considered a promotion if it pays a higher maximum rate than the job in which the employee is presently working.
- (d) An employee's bid will be considered except employees who at the time of the vacancy are in one of the following categories:
 - 1) Probationary and temporary employees;
 - 2) Employees who within the previous six (6) months have been returned to their former job because of failure to qualify on a job in the same wage group as the vacancy involved;
 - 3) Employees in formal corrective action;
 - 4) Employees who have not been in their present position for at least one year. With supervisory approval, employees with less than one year's service in their present position may submit a job bid.

Section 7.2 – Selection Process

The Company will attempt to fill the vacancy internally from those employees submitting a job bid request. However, it is understood that the Company may also consider candidates outside the bargaining unit when filling those vacancies. In order to be considered a candidate for selection (either internal or external), the candidate must successfully pass any reasonable and job appropriate tests used by the Company for the position. If the candidate passes such testing, or if the Company elects not to use testing as part of the selection process, qualifications shall be determined by the total circumstances including work experience, performance (and any performance evaluations), applicable technical education and attendance. The Company may use other forms of testing, interviews and/or other reasonable methods of determining qualifications as herein defined. The position will be filled by the most qualified candidate from any source as determined by the Company. Seniority will govern only in the event multiple internal candidates are determined to be most qualified by the Company. If no candidates are deemed qualified by the Company, the Company may elect to fill the vacancy from any available source.

Section 7.3 – Moving Expenses

Effective February 1, 2003, and continuing for the life of this Agreement, the Company agrees, subject to the limitations described below, to include employees, subject to this Agreement, of United Telephone Company of Kansas and Embarq Missouri, Inc. represented by Local 6372 of the

Communications Workers of America AFL-CIO in the Relocation Program as it is applicable to non-represented employees of the Company.

The Company reserves the right to modify or terminate the Relocation Program at any time so long as the changes are uniformly applied to all eligible employees.

Section 7.4 – Notification of Bid Results

The Company will **electronically (e-mail) notify** the **Local President** within twenty-eight (28) calendar days after the **position has been filled**. If an award is made, the notice will give a tentative date the position will become effective. The pay change becomes effective on this date.

Section 7.5 – Bid and Transfer Frequency

Except as provided in Article 5, Section 5.2 and Section 5.7, all employees are prohibited from bidding or transferring out of a job for which they hired, bid or transferred into until one (1) year on the job has elapsed.

Section 7.6 – Relocation

Transfers are defined as movement from one exchange to another or from one job title to another job title in the same or lower wage group in another exchange. When the Company finds it necessary to affect a “transfer” of employees from one reporting location to another reporting location, it shall be done in the following steps:

- (a) The Company shall first notify in writing all employees in the affected job title at the location involved and the Local Union as to the number of employees that are to be moved. Such notice shall be given at least sixty (60) calendar days prior to the move.
- (b) The employees desiring to be transferred to the new location shall notify in writing, the immediate supervisor within thirty (30) calendar days of the notice of their acceptance or rejection of the transfer.
- (c) If no employees desire to be moved, the least senior employee or employees of that job title shall be transferred.
- (d) The Company may elect to discontinue the intended transfer at this step.
- (e) The employee or employees to be transferred may exercise his/her seniority rights to remain in their area as follows:

1. The employee(s) to be transferred may bump the least senior employee in the same area in the same job title.
 2. It is understood and agreed that an employee exercising a bump right has no choice of work locations. Rather, the employee must bump the least senior employee in that job title in that area.
- (f) When the employee's reporting location is changed which requires a change in residence, the Company shall pay physical moving expenses in accordance with Article 7, Section 7.3. For Kansas employees only, if both employees require a change in residence, only one employee is entitled to Company paid moving expenses, with seniority being the determining factor.
- (g) The job at the new location under this Section will be exempted from the normal job posting/bidding procedure.
- (h) In the event the least senior employee is required to transfer to a new reporting location as a result of the Company's decision to adjust the work force in accordance with this section, the least senior employee shall have first right of acceptance for any future vacant positions in his job title (from which he was displaced) in his former exchange for a period not to exceed twenty-four (24) months from the effective date at the new reporting location.
- (i) The employee shall be required to inform the Company of their intent to return to their former reporting location within fourteen days from the date of the job vacancy notice.

Section 7.7 – Probation and Pay Treatment for Promotions and Transfers

- (a) Probation. An employee who is awarded a new job title will be placed on probation for six (6) months during which period his or her job performance will be evaluated. During this probationary period, if it is determined that the employee is not satisfactorily performing the duties of the new job title, the employee will be returned to his or her former job title, if available. If such job is no longer available, the Company will attempt to return the employee to another job title in the former wage group for which the employee is qualified. If no jobs are available in the former wage group, the Company will place the employee in a job title at a lower wage group than previously held for which the employee is qualified. If the original award involved relocation, an attempt shall be made to absorb the employee at the new location.

- (b) Promotion Pay. During the six (6) month probationary period in the new job title, the employee shall receive the appropriate wages in the new wage group.
- (c) Transfer Pay. An employee transferred in accordance with the provisions of this Article shall be paid the wage rate for the wage group transferred to based upon the employee's progression step at the time of the transfer. An employee in progression will progress in the new wage group as he or she would have in his or her former wage group.

Section 7.8 – Changes in Job Duties

Employees may request assignment to jobs with preferential duties or hours of an equal or lower rate of pay within the same exchange. The Company will give consideration to these requests.

Section 7.9 - Demotions

Demotions to a lower paid job shall be made only in cases where an employee is not satisfactorily performing his or her present job. The employee will be placed at a rate of pay in the new job based upon the employee's progression step at the time of demotion, except that an employee being demoted during the probationary period of a job award shall be returned to that progression step equivalent to where the employee would have been had the award not occurred.

Section 7.10 – Apprenticeship Program

- (a) It is the intent of the Company to establish an apprenticeship classification in order to offer advancement opportunities to employees with limited telephony experience and to insure a diversified workforce for the future. This classification will cover job titles listed under Wage Groups F and G.

- (g) An employee awarded an apprenticeship position resulting in a promotion shall be placed on the first progression step of the new job title which represents an increase over the employee's current wage rate. The employee shall be maintained at this progression step for twelve (12) months from the effective date of the award. The employee's progression date shall be changed to reflect the effective date of the award. At the completion of the first year of the program, the employee shall resume progression at six month intervals in the wage group. Employees with the job title of Network Technician or Equipment Installer being awarded an apprenticeship position in Wage Group F, shall retain their current progression level but shall be placed on the appropriate wage group for the apprenticeship position.
- (h) Bid & Transfer Frequency
Employees who have bid and been awarded an apprenticeship position shall be restricted from bidding or transferring to another position for a period of two (2) years for Wage Group F positions and for three (3) years for Wage Group G positions.
- (i) Probationary Period
An employee who is awarded an apprenticeship position will be placed on probation for two (2) years during which period his or her job performance will be evaluated. During this probationary period, if it is determined that the employee is not satisfactorily performing the duties of the new job, Section 7.7(a) of this Article will become operative.

ARTICLE 9 SHORT TERM DISABILITY

Section 9.1

The Company agrees to provide STD benefits for all regular full-time employees on a non-contributory basis. Regular part-time, temporary, or occasional employees are not eligible for STD benefits. The administration of STD leaves, including the application process and timelines, eligibility rules, notice requirements, return to work rights, and modified duty programs will be governed by the CenturyLink Disability Plan (the "Plan").

Employees qualify for STD benefits when they are participants who cannot work at their normal job due to an illness or injury incurred off the job, and satisfy the requirements as outlined in this Article but subject to the terms of the Plan which control and govern. STD benefits begin on the 8th consecutive calendar day (sixth consecutive scheduled workday) of non-occupational illness or injury for participants. Written medical certification shall be required. Articles 16 and 17 apply to any dispute over an employee's qualification for STD benefits.

Vacation/Personal hours are provided for all incidental absences from work and for the first five (5) consecutive scheduled workdays of a non-occupational disability related absence (STD waiting period). The employee must use all available Vacation/Personal hours before hours can be taken unpaid. If an employee does not have available Vacation/Personal hours, those hours for which Vacation/Personal are not available shall be non-paid.

Section 9.2

If employment is involuntarily terminated due to reasons including but not limited to reduction in work force, plant/office closure, etc., while the employee is receiving STD benefits under the Plan, the employee may continue to receive benefits until the earlier of either the Plan's benefits are exhausted, the employee fails to comply with the Plan's STD administrative requirements or the employee's doctor (or the IME doctor) states and the Plan agrees that the employee can return to work. If employment is involuntarily terminated for just cause, STD benefits may be terminated immediately.

Section 9.3

The Plan Administrator may suspend or deny STD benefits if the employee fails to submit all forms/documentation as required, fails to comply with a Company request for an IME, or fails to comply with the requirements of the STD Plan. The Plan Administrator may require such physical or other professional examinations from healthcare providers in accordance with the Americans with Disabilities Act, the Family and Medical Leave Act and/or any other applicable law or regulations as well as when an employee is claiming benefits or privileges under the Plan. The requirement for additional medical or other examinations shall include, but not be limited to, independent medical examinations to confirm a disability, circumstances in which an employee seeks disability or family leave and applies for or is receiving any benefits financed by the Plan; and "fitness for duty" examinations.

Section 9.4

STD benefits under the Plan may be paid up to a maximum of twenty-six (26) weeks. The amount of pay (partial or full pay benefits) is a percentage of "base rate pay". Base rate pay for the purpose of determining the appropriate STD benefit will be based on the regular straight time rate of pay. Base rate does not include incentive compensation, overtime, shift differential or other special payments or calculations.

- (a) For employees hired, re-hired, or transferred into this bargaining unit before January 1, 2020, the STD benefit under the Plan is either sixty percent (60%) or one hundred percent (100%) of the base rate. The percentage paid is based on the length of service with the Company. An employee's service anniversary date determines the benefit payment schedule as identified in the chart below. The following STD benefit payment schedule is based on completed years of service as determined by the employee's service anniversary date.

If your length of service is:	Then benefits at 100% of Base Salary are paid for:	And benefits at 60% of Base Salary are paid for:

- (b) For employees hired, re-hired, or transferred into this bargaining unit on or after January 1, 2020, the STD benefit under the Plan is seventy percent (70%) of the base rate. The following STD benefit payment schedule is based on completed years of service as determined by the employee's service anniversary date.

If your length of service is:	Then benefits at 70% of Base Salary are paid for:
Less than one year	None
1 year or >	26 weeks

- (c) A higher level of benefits does not take place if an employment anniversary occurs while receiving benefits or if the employment anniversary occurs before the employee returns to work for one hundred eighty two (182) consecutive days after any STD benefit usage.

Section 9.5

If you return to work for less than 182 calendar days following an STD absence, your previous STD benefits will be considered in determining the amount and maximum period of benefits. In other words, you will continue on the STD Benefit Payment Schedule described above based on your service at the first time you became entitled to Plan benefits.

If you return to work for at least 182 calendar days following an STD absence, your previous STD benefits under the Plan will not be considered in determining the amount and maximum period of benefits. In other words, you will be eligible for the full benefit described above for any STD absence.

- (d) If the grievance process does not satisfactorily settle the grievance, the Union may proceed to arbitration.

Section 16.4

The Company shall give written notice to the Local Union President as soon as practicable.

ARTICLE 17 ARBITRATION

Section 17.1

In the event a satisfactory settlement has not been reached through the grievance procedure, then the grievance may be submitted to arbitration provided the grievance concerns:

- (a) The true extent and meaning of any specific provision or provisions thereof (except as such provision or provisions relate, either specifically

or by effect, to prospective modification or amendments of such agreements), or

- (b) The application of any provision or provisions thereof to any employee or group of employees, and grievances arising from such application, or
- (c) The dismissal of any employee.

Section 17.2

In order to be eligible to be filed for arbitration, an event giving rise to a grievance must have occurred during the term of the agreement and in accordance with Section 16.3. Within thirty (30) **calendar** days of the Step 2 answer, the Union shall submit a written request for a panel of seven (7) members of the National Academy of Arbitrators to the Federal Mediation & Conciliation Service, with a simultaneous copy to the Company's Manager, Labor Relations. **In situations where the Union needs additional time to complete its internal appeal process, it shall submit written notice to the Company and the time limit outlined above shall be paused. The Union shall notify the Company of the outcome of the appeal process within seven (7) calendar days of its conclusion. If the appeal is upheld, the aforementioned time limit will resume from the point paused and the Union shall move forward with submitting a request for a panel of arbitrators.**

Section 17.3

Within fourteen (14) **calendar** days (unless mutually agreed to extend the time limits) after receipt of the panel of arbitrators, the parties shall meet to select an arbitrator. The arbitrator shall be selected in the following manner:

- (a) Determination of which party will strike first will be decided by lot. The party striking first will also strike third. The other party will strike second and fourth. The remaining name will be submitted to the Federal Mediation and Conciliation Service as the arbitrator for the case.

Section 17.4

Each party shall bear the expense of preparing and presenting its own case, including any attorneys' fees. The cost of the arbitrator, meeting rooms and other items mutually used and agreed upon shall be borne equally by both parties. Either party may require that an official record of the proceedings be prepared by a professional reporter and that a copy be provided to the arbitrator.

The party requiring an official record of the proceedings will pay the full cost of all reporting and transcript fees unless the other party requests a copy or the right of inspection or use, in which event the full cost shall be equally divided between the parties.

The Company agrees to compensate a maximum of one (1) employee for time spent participating in arbitration proceedings either as a representative or as a witness.

Section 17.5

The following general rules will apply:

- (a) An arbitrator may hear only one grievance at a time unless otherwise agreed to in writing by both parties.
- (b) The language of this Agreement is controlling. The arbitrator shall have no authority to add to, subtract from, or to amend in any way the express terms of this Agreement or any written mutually executed supplement or amendment hereto. The arbitrator shall confine his award to a determination of only those issues as are necessary to decide the grievance submitted. He shall have authority to render a final and binding decision with respect to the dispute brought before him.

Section 17.6

Any awards of back wages by an arbitrator shall be limited to the amount of straight time wages at the employee's base rate the employee would otherwise have earned from her/his employment with the Company during the period involved, less any unemployment compensation or other compensation for employment that the employee may have received from any source during that period, provided that such compensation was not a normal part of the employee's income prior to the imposition of the discipline. However, in any grievance arbitrated under the provisions of this Section, the Company shall under no circumstances be liable for any retroactive back pay, benefits, or any other advantage of employment (such as vacations) for more than eighteen months (plus any time that the processing of the grievance or arbitration was delayed at the specific request of the Company) after the date of the disciplinary action. Delays at the specific request by the Union in which the Company concurs shall not be included in such additional time.

ARTICLE 18 TOOLS

- (a) The Company will furnish, without cost to employees, all tools necessary for the performance of their duties.
- (b) Employees who are furnished tools by the Company will be held responsible for the proper use and care of such tools, and will be held to accounting of all tools at the time of replacement of, or upon termination of service with the Company.
- (c) Tools furnished to employees by the Company, which become broken or worn out through normal wear, will be replaced by the Company without cost to the employees.
- (d) Tools furnished to the employees by the Company which are lost or stolen will be replaced by the Company without cost to the employees, except in cases of employee negligence.
- (e) The Company reserves the right to inspect all tools, and to condemn for further use any tool which is found to be unsafe or unfit.
- (f) Employees will continue to use their present tools until such tools are, or become worn out, lost or otherwise not useable, at which time the Company will furnish tools that need be replaced.
- (g) The Company will specify the quantity, kind, type and make of tools furnished to each employee.

ARTICLE 19 WAGES

Section 19.1 - Intent

It is the intent of the parties to secure and sustain maximum productivity per employee during the term of this Agreement. In return to the Company for the wage increase and other conditions herein provided and consistent with the principle of a fair day's work for a fair day's pay, the Union re-emphasizes its agreement with the objective of achieving the highest level of employee performance and efficiency consistent with safety, good health, and sustained effort.

Section 19.2 – Wage Rates

- (a) The wage rates shall be as set forth in Appendices, attached hereto and made a part hereof, and shall prevail during the effective term of this

Agreement unless changed in accordance with the provisions set forth in this Agreement. Rehires or employees who have had experience with other companies may be given credit for previous service for pay purposes only according to the local management's judgment as to the value of such service.

(b) Wage Progression

The Company agrees to grant scheduled wage increases specified in their appropriate schedules in accordance with the time intervals and amounts provided in such schedules, subject to the following conditions:

- 1) Wage progression/step increases will be effective based on the service anniversary date for active, full time employees and based on date last given for part time employees after the employee has worked 1040 hours.
- 2) Annual wage increases will be effective the first day of the pay period closest to the effective date of the increase.

(c) Pay Treatment for Promotions

1. Employees being promoted to a higher wage group shall be placed on the first progression level which represents an increase over the employee's current wage rate, however, the minimum increase shall be no less than fifteen cents (\$.15). An employee in progression will progress in the new job title as he or she would have in his or her former job title.

Section 19.3 – New and Modified Job Titles

Newly created job titles may be established by the Company and included within this Agreement and existing job titles may also be modified. The parties agree that routine changes to operational procedures, equipment, and systems occur on a regular basis as a result of improvements in technology, processes, etc., and often change how job responsibilities are performed. These are not considered modifications to the job and do not require notice or bargaining with the Union. Any dispute about whether a change in procedures, equipment or systems is routine and has minimal (in contrast to substantial) impact must be brought by the Union within thirty (30) calendar days of having knowledge of the change using the Grievance and Arbitration Procedure as outlined in this Agreement.

In the event a new or modified job title is required, the Company shall inform the Union at least fifteen (15) calendar days in advance and shall identify any proposed change in wage or wage schedule. No wage change shall be appropriate for a modified job title unless there is mutual agreement between the Union and the Company.

The Union shall have the right, by giving written notice within thirty (30) calendar days from receipt of the notice, to request negotiations concerning the wage rate established by the Company for the new job title. If the Union does not timely request negotiations, the new job title will become permanent as will the wage rate. It is not the intent of the Company to combine titles.

Any dispute concerning the proposed wage adjustment or wage schedule which the parties are unable to resolve may be referred by the Union to Article 17, Arbitration of this Agreement within forty-five (45) calendar days.

The Company shall have the right to implement its proposed wage rate and schedule while the negotiation and arbitration process is proceeding, but an arbitrator may award a retroactive wage adjustment if deemed appropriate. If the parties reach an agreement on a new wage rate and schedule prior to arbitration, the new wage rate and schedule shall be applied retroactive to the date of the implementation.

Section 19.4 – Classification for Wage Purposes

Employees who are assigned to work in a higher wage group shall be paid \$1.50 for each full hour of substitution.

Section 19.5 – Pay Day and Pay Methods

- (a) Employees will be paid on a bi-weekly basis. Pay day for the two week calendar periods will be no later than the first Friday following the end of the bi-weekly, Sunday through Saturday, two calendar week periods unless prevented by circumstances beyond the Company's control. Payment shall be by direct bank deposit as authorized by the employee (effective 08/01/97). In the event the parties jointly agree to grant an exception to this provision, it shall be reduced to writing, and shall state the time period the exception is applicable.
- (b) The employee shall be provided a statement of earnings including all deductions from the employee's earnings which shall be listed on such statement. When an employee is discharged or laid off, or when an employee quits or resigns employment, all wages earned and unpaid will become due and payable as soon as possible.

ARTICLE 20 UNIFORMS

Section 20.1 – Uniforms

- (a) The Company will provide an annual credit of **\$175** for the purchase of approved garments through the Company authorized vendor to employees in those job titles which the Company deems appropriate. New hires in those job titles may receive additional uniform garments or a higher initial credit. The color, style, and material blend of employee work clothing will be determined by the Company for both uniform and non-uniform garments.
- (b) Employees will be required to wear uniform and non-uniform garments that are, in the Company's judgment, properly maintained and presentable. The wearing of uniforms will be mandatory during all work hours. Regular and all appropriate maintenance of an employee's uniform is the responsibility of the employee.

Section 20.2 – Uniform Pin

Employees will not be prohibited from wearing a button/pin on their uniform shirt or hat containing the Union name or insignia provided the button/pin:

- (a) Is no larger than 1 ¼ " in diameter
- (b) Does not contain a message that is derogatory, offensive, inflammatory or political in nature.
- (c) Is approved by the Company prior to being worn
- (d) The button/pin does not cover the Company logo.

The Company shall have the unilateral right to modify, amend, or cease the uniform program at any time.

Section 20.3 – Safety Footwear

Effective upon contract ratification, the Company will provide to designated employees a one-time reimbursement equal to 50% of the total cost of purchase for safety footwear, not to exceed **\$100**. Designated employees eligible for the reimbursement shall be determined by PPE hazard assessment by the Company. The eligibility for this allowance shall terminate effective December 31, **2021**.

Employees with exposure to foot hazards as determined by the Company's Task Based Hazard Assessment for Personal Protective Equipment (PPE) and Safety Equipment must regularly wear safety footwear (safety

shoes/boots) that meet the current national standards recognized by the Occupational Safety & Health Administration (OSHA) and internal CenturyLink requirements found in Safety & Health Practice on Personal Protective Equipment. The Company, in its sole discretion, and in accordance with OSHA standards, will identify employees who will be required to wear safety footwear.

Employees identified as needing safety footwear will be required to wear safety footwear at all times when performing their work assignments. Those employees will have the choice of wearing steel toe or composite toe safety footwear as long as it meets the current national standard. The requirement to wear safety footwear will cease when employees leave the position through transfer, promotion, retirement, separation, voluntary resignation or dismissal, or when safety footwear is no longer required.

Since safety footwear can be utilized both on and off the job, employees are responsible for the purchase and maintenance of their safety footwear. For those employees that have only occasional exposure, a safety toe overshoe, at no cost, is available through the SAP/CART ordering process.

Section 20.4 - Safety Eyewear

Employees in certain job titles and work environments may also be required to wear safety eyewear while at work. Employees who require corrective vision lenses must also wear safety eyewear, when required.

Effective February 1, 2015, the Company will provide an annual (calendar year) maximum contribution of \$75 for the procurement of one (1) pair of prescription safety glasses (or replacement frames or replacement lenses) for employees in positions which require the wearing of safety eyewear, subject to the following.

1. The Company will identify the job titles eligible for the company contribution for prescription safety eyewear.
2. Prescription safety glasses shall meet current ANSI standard Z87.1, and include protective specialty safety eyewear where the user requires a vision 'correction.'
3. The Company shall determine the supplier(s) for the procurement of prescription safety eyewear and reserves its right to identify the approved safety frame styles, lens materials, lens options and allowable optional upgrades. Each order for prescription safety glasses will include detachable side shields.

4. The Company contribution for prescription safety eyewear will only be provided through the designated supplier(s) for the procurement of prescription safety glasses. There will be no company contribution, subsidy or reimbursement for prescription safety glasses obtained outside of the designated supplier(s).

This supplier will bill the Company for the \$75 annual maximum contribution and the remainder of the expense for prescription safety glasses, if any, will be paid by the employee. Employees will be responsible for the cost of prescription safety glasses above the Company's annual contribution for additional or replacement pairs of prescription safety glasses, including frames and/or lenses. Employees will also be responsible for the cost of eye examinations.

Specialty safety eyewear that does not include a vision correction will be excluded from the company contribution for prescription safety eyewear.

The Company will make available, at no cost, non-prescription safety eyewear. Choices of non-prescription safety eyewear are available to employees through the SAP/CART ordering process.

ARTICLE 21 TERMS OF AGREEMENT

Section 21.1 – Duration of Agreement

This Agreement becomes effective on February 1, **2021**, and shall remain in force and effect through January 31, **2024**. It shall continue in full force and effect thereafter unless either party gives written notice within sixty (60) days prior to the termination date of this contract or any extension thereof to the other party of an intention to change specified terms of this Agreement upon the expiration of the term or any extension thereof. Service of any such notice shall be sufficient if addressed and mailed, or delivered, to the President or his designee for the Union and the **Director – Labor Relations** or the **Director – Labor Relations'** designee for the Company. It is agreed and understood that if the Union designates the Local President to participate with Management in any of the proceedings described in this Section, and if the President is an employee, he or she shall be designated by the Union as one

(1) of the departmental representatives. If the Union designates the Local President to participate in the bargaining of Local 6372 with another CenturyLink Company he or she shall be prevented from suffering any loss in pay if he or she is an employee of the Company.

Section 21.2 – Laws Affecting Agreement

In the event that any of the provisions of this Agreement shall be or become invalid or unenforceable by reason of any Federal or State law now existing or hereinafter enacted such invalidity or unenforceability shall not affect the remainder of the provisions hereof.

Section 21.3 – Amendment

In the event the parties jointly desire to amend or modify this Agreement, it shall be reduced to writing, shall state the effective date and shall be executed in the same manner as in Section 21.1 of this Article.

and Local Union No. 6372 of the Communications Workers of America
AFL-CIO

The Company has adopted the Embarq Pension Component of the **Lumen** Combined Pension Plan (referred to herein as the "Retirement Pension Plan") and except as provided in Section 4 below, agrees to include Eligible Employees covered by this Agreement as Members of such Retirement Pension Plan in accordance with the Pension Agreement. Said Pension Agreement shall be continued without modification for the life of this Agreement; provided, however, the Company (and for this purpose only, "Company" shall include Embarq Corporation) retains the right to make such changes in the Retirement Pension Plan, in its sole discretion, as may be required to obtain a ruling from the Commissioner of Internal Revenue that the Retirement Pension Plan qualifies under Section 401(a) of the Internal Revenue Code of 1986, as amended from time to time, and that the Trust implementing the Retirement Pension Plan is exempt from taxation under Section 501(a) of said Code, to satisfy any applicable state or federal statute, regulation, ruling, court decision or other law applicable to said Retirement Pension Plan, or to administer said Retirement Pension Plan in an orderly and efficient manner. Except as provided in Section 3 below, any such action taken by the Company in its sole discretion with respect to the Retirement Pension Plan shall apply to all similarly situated employees of the Company in a uniform manner. The Company pays all contributions to the Retirement Pension Plan.

Nothing within this Agreement shall constitute an amendment to the Retirement Pension Plan, which is subject to its terms and conditions. In the event of an inconsistency between this Agreement and the Retirement Pension Plan document, the terms of the Retirement Pension Plan document shall govern. Administration of the Embarq Pension Component of the **Lumen** Combined Pension Plan and benefit disputes are not subject to the grievance or arbitration procedure set forth in this Agreement.

Section 1: Embarq Pension Component of the Lumen Combined Pension Plan

The Company agrees to provide to Members, who are Eligible Employees as defined by the Embarq Pension Component of the **Lumen** Combined Pension Plan (referred to herein as the "Retirement Pension Plan"), the pension benefits in the form of a Retirement Allowance hereinafter specified in this Agreement effective February 1, **2021**, subject to the terms and conditions of the Retirement Pension Plan. All terms defined in the

Retirement Pension Plan shall have the meaning specified therein unless the context of this Pension Agreement clearly indicates otherwise. All capitalized terms are as defined in the Retirement Pension Plan.

Except as provided in Section 3 below, a Member shall mean an employee of United Telephone Company of Kansas or Embarq Missouri, Inc. represented by Local Union No. 6372 of the Communications Workers of America AFL-CIO who is eligible to participate in the Retirement Pension Plan pursuant to Article II of the Retirement Pension Plan.

The provisions of the Retirement Pension Plan, other than Section 3.2, Retirement Allowance on Termination of Employment or Retirement, including the rights of the Board of Directors of Embarq Corporation to make such amendments as it deems advisable with respect to all of the provisions of the Retirement Pension Plan other than those referred to specifically in this document, are incorporated herein by reference and shall be in full force and effect provided that Continuous Service and Credited Service shall be determined in accordance with definitions in the provisions of Sections 1.9, Continuous Service, and 1.11, Credited Service, respectively of the Retirement Pension Plan, except as specifically provided to the contrary herein.

Anything contained in the Retirement Pension Plan to the contrary notwithstanding, the tables of monthly benefit per year of service hereinafter described shall apply to a Member until and unless revised by a subsequent Pension Agreement. This Pension Agreement shall terminate when the contract between the Company and Bargaining Unit terminates. Upon the termination of this Pension Agreement, if as of such date a subsequent Pension Agreement between United Telephone Company of Kansas, Embarq Missouri, Inc. and Local Union No. 6372 of the Communications Workers of America is not in force, the Retirement Allowance of any Member shall be determined as of such date and shall not increase for any reason until the effective date of a subsequent Pension Agreement with a pension table increase. No Credited Service shall be earned following such date.

Continuous Service shall continue to be earned in accordance with Section 1.9, Continuous Service, of the Retirement Pension Plan. A Member may retire as provided in the Retirement Pension Plan following such termination date and receive the Retirement Allowance determined as of the termination date, provided, that such allowance shall be adjusted as provided in the Retirement Pension Plan if it is paid in a form other than a life annuity or commences on a day other than the Member's Normal Retirement Date as defined in the Retirement Pension Plan.

Section 2: Amount of Allowance

- (a) The amount of the Retirement Allowance payable in the form of a life annuity to a Member who retires under normal or early retirement under Article III, Retirement Allowance, of the Retirement Pension Plan shall be based on the Member's age in years and completed whole months, Job Classification and Credited Service at Termination of Employment; and date of Termination of Employment, or Normal Retirement Date if earlier, determined from the attached tables, by multiplying the appropriate monthly benefit per year of service by the number of years of Credited Service, subject to the provisions contained in Article 4, Provisions Relating to Pension Agreements, of the Retirement Pension Plan.
- (b) The amount of the Retirement Allowance payable in the form of a life annuity to a Member who is entitled to a Deferred Vested Early Retirement Allowance as defined in Section 1.12 of the Retirement Pension Plan shall be equal to the benefit determined in paragraph (a) above using the appropriate monthly benefit per year of service for a Member age 65 at the time of the Member's Termination of Employment.
- (c) Upon the death of a Member described in Article VIII, Spousal Allowance, of the Retirement Pension Plan prior to his Normal Retirement Date or his retirement, whichever occurs first, an allowance shall be payable to and for the life of his surviving spouse, provided that he and said spouse have been married for at least 12 consecutive months ending on the date of his death. The amount of the Spousal Allowance payable to an eligible spouse shall be the benefit described in paragraph (a) above which would have been payable to such spouse had the Member retired early in accordance with Section 1.14, Early Retirement Allowance, of the Retirement Pension Plan and benefits had commenced on the first day of the month preceding his date of death. If the Member had not attained age 55, the benefit described in paragraph (a) above shall be that which applies at age 55.

Section 3: Hired, Rehired, or Transferred Employees on or After July 1, 2016 into CWA 6372.

Any Employee who is first hired by the Company into CWA 6372 on or after July 1, 2016 shall not be eligible to become an Eligible Employee of the Retirement Pension Plan and shall not be eligible to become a Member in the Retirement Pension Plan. If such an Employee later transfers to another union that allows pension benefit accruals, under the Retirement

Pension Plan, service with the Company earned prior to the transfer will not be used to determine the Employee's Retirement Allowance but such service shall be considered for purposes of eligibility, participation and vesting.

Any Legacy Embarq Employee who is rehired or recalled into CWA 6372 on or after July 1, 2016 is not eligible to become a Member in the Retirement Pension Plan for purposes of accruing an additional Retirement Allowance under such Retirement Pension Plan. Such Employee shall remain a Member solely with respect to the amount of any Retirement Allowance accrued prior to being rehired or recalled by CWA 6372 on or after July 1, 2016 to the extent he was not given a distribution of his entire prior Vested Interest prior to being rehired or recalled. Service on or after July 1, 2016 for such Employee will be considered only for purposes of participation, vesting and eligibility for any type of Retirement Allowance earned prior to being rehired or recalled (i.e. Normal, Early, Special Early, Deferred Vested, Disability and Death benefit).

Any Legacy Embarq Employee who first becomes covered under the CWA 6372 Agreement through any means (including, but not limited to job bid, transfer, or any process by which the National Labor Relations Board orders that other represented or unrepresented CenturyLink employees are or should be covered under the CWA 6372 Agreement) on or after July 1, 2016 is not eligible to become a Member in the Retirement Pension Plan for purposes of accruing an additional Retirement Allowance under such Retirement Pension Plan. Such Employee shall remain a Member solely with respect to the amount of any Retirement Allowance accrued prior to being covered under the CWA 6372 Agreement on or after July 1, 2016, to the extent he was not given a distribution of his entire prior Vested Interest prior to being covered under the CWA 6372 Agreement. Service on or after July 1, 2016 for such Employee will be considered only for purposes of participation, vesting and eligibility for a Retirement Allowance (Normal, Early, Special Early, Deferred Vested, Disability and Death benefit), and not for accruing an additional benefit.

Any non-Legacy Embarq Employee who first becomes covered under the CWA 6372 Agreement through any means (including, but not limited to job bid, transfer, or any process by which the National Labor Relations Board orders that other represented or unrepresented CenturyLink employees are or should be covered under the CWA 6372 Agreement) or rehired into CWA 6372 on or after July 1, 2016 shall not become an Eligible Employee and shall not be eligible to become a Member in Retirement Pension Plan. Service on or after July 1, 2016 for such Employee will be considered only for purposes of determining participation, vesting and eligibility for a pension benefit in such Employee's former pension plan(s), if any. If such an Employee later

becomes covered under another union that allows benefit accruals under the Retirement Pension Plan, service earned with CWA 6372 prior to the subsequent move from CWA 6372 will not be used to determine the Retirement Allowance in the Retirement Pension Plan but such service will be considered for purposes of eligibility, participation and vesting.

For purposes of this section only, “Legacy Embarq Employee” shall mean:

1. Any employee of Embarq prior to July 1, 2009,
2. Any employee of CenturyLink first hired on or after July 1, 2009 but before July 1, 2016 who worked at an Embarq entity and who became an Eligible Employee or is eligible to become an Eligible Employee.

Section 4: Lump Sum Benefit Payment Option

The Company may, at its sole option and discretion, amend the Retirement Pension Plan to provide a lump sum benefit payment option to Members represented by CWA 6372, effective as of the date specified in the Retirement Pension Plan. Members represented by CWA 6372 who elect to receive their Retirement Allowance in the form of a lump sum must make their election within the timeframe and pursuant to the procedures established by the Plan Administrator for the Retirement Pension Plan. Any lump sum benefit payment option will be based on the present value of the Member’s single life annuity benefit and calculated and paid solely as provided in the Retirement Pension Plan and subject to the terms of the Retirement Pension Plan. This Section is not, and is not intended to be, an amendment of the Retirement Pension Plan which can only be amended by authorized persons designated by the Retirement Pension Plan terms.

Notwithstanding any provision to the contrary, the decision to amend the Retirement Pension Plan to provide a lump sum benefit payment option is within Company’s sole and complete discretion. If the Company, however, amends the Retirement Pension Plan to provide a lump sum benefit payment option, the Company may, subject only to the Retirement Pension Plan’s terms and applicable law, eliminate the lump sum benefit payment option on a prospective basis, even prior to the termination of this Section.

This Section shall terminate when the Agreement between the Company and the Bargaining Unit terminates. Thus, the Company may, unless contrary terms of the Retirement Pension Plan, the requirements of applicable law or a subsequent agreement between the Company and the Union, amend the Retirement Pension Plan to terminate this lump sum benefit option upon the expiration of this Labor Agreement. The continued application of this Section to any Member and to any Retirement Allowance of any such Member, regardless when accrued, shall be subject

to collective bargaining and applicable law. The operation and administration of the Retirement Pension Plan, the calculation of benefits, eligibility requirements, all terms and conditions related thereto and the resolution of any disputes involving the terms, conditions, interpretation, and administration of the Retirement Pension Plan shall rest with the Company and its delegates, shall be determined only under the terms of the Retirement Pension Plan, shall not be determined under the terms of this Agreement, and shall not be subject to the grievance or arbitration procedure set forth in this Agreement.
